

CRU INVITES TO A SYMPOSIUM ON
REPRODUCTION IN WILD VERTEBRATES:

**A meeting with focus on ongoing research on all aspects of reproduction in wild vertebrates
Thursday 10 February 2011, Ultuna, Uppsala**

Register for this symposium by sending an e-mail with your name and affiliation to Galia.Zamaratskaia@lmv.slu.se not later than 22 December. The symposium is free of charge.

Abstracts are invited. They should be written in English, Times new roman, font size 12, margin 2.5 cm all around. Minimum 200 and maximum 500 words, not including title, author names and affiliations and the recommended headings: Introduction, Aim, Material and Methods, Results, Discussion and Conclusions. Abstracts giving a broader overview are also invited, and the headings are in this case not necessary. Deadline for abstracts is 22 December, to Galia.Zamaratskaia@lmv.slu.se.

Authors will be informed by 17 January if the abstracts are accepted, and if they are invited to present a poster or to give an oral presentation. You are welcome to indicate if you would prefer to give an oral presentation or present a poster.

The final program will be available from 17 January on the CRU homepage, <http://www.slu.se/sv/centrumbildningar-och-projekt/ny-centrum-for-reproduktionsbiologi/>

Organising committee: Björn Brunström, Jonas Malmsten, Galia Zamaratskaia and Bodil Ström Holst.

The symposium is open for everyone who is interested!
If you have questions please contact Bodil.Strom-Holst@kv.slu.se
