

# BalticWheat Network

12-13th October 2017

Venue: Room "Privaten", Hotel Scandic Kramer, Malmö

Starts: 12 October at 11.30. Ends: 13 October at 14.00

## Day 1 - 12<sup>th</sup> October

	Location: Scandic Kramer	Note
11.30-12.00	<u>Welcome &amp; participant introductions</u> Aakash Chawade, SLU	
12.00-12.45	Lunch	
12.45-13:15	<u>Discussion: What can we do in the BalticWheat network?</u>	Plenary discussion
13.15-13.45	Keynote presentation: <u>Assimilate partitioning and integration of physiological phenotyping into a holistic phenomics approach</u> Thomas Georg Roitsch, University of Copenhagen	
13.45-14.05	<b>Session: Wheat breeding</b> Chair: Jan Svensson, NordGen <u>Current wheat research activities at LAMMC</u> Gintaras Brazauskas, LAMMC	
14.05-14.25	<u>Directions and problems in Estonian wheat cultivation and breeding</u> Mati Koppel, Estonian Crop Research Institute	
14.25-14.45	Coffee Break	
14.45-15.05	<u>Winter wheat breeding at Lantmännen</u> Tina Henriksson, Lantmännen Lantbruk	
15.05-15.30	<b>Group discussions:</b> Collaboration for pre-breeding.	4 groups
15.30-16.00	<u>Plenary discussion</u> Panel: Discussion group representatives	Plenary discussion
16.00 -16.20	<b>Session: Emerging problems and genetic resources</b> Chair: Martin Weih <u>Wheat diseases in the Baltic including and problems with fungicide resistance</u> Lise Nistrup Jørgensen, Aarhus University	
16.20-16.30	Short break	

16-30-16.50	<u>Wheat accessions at NordGen</u> Jan Svensson, Nordgen	
16.50-17.10	<u>Winter wheat pre-breeding for disease resistance</u> Aakash Chawade, SLU	
17.10-17.40	<b>Group discussions:</b> Climate change and emerging problems	4 groups
17.40-18.00	<u>Plenary discussion</u> Panel: Discussion group representatives	Plenary discussion
18.00-19.00	Check in at Hotel Scandic Kramer	
19.00	Dinner at Scandic Kramer	

## Day 2 - 13<sup>th</sup> October

### Session: Techniques and Analysis

Chair Gintaras Brazauskas, LAMMC

08.30-08.50	<u>Association genetics and genomic estimated breeding values for selection in wheat</u> Rodomiro Ortiz, SLU	By Skype
08.50-09.10	<u>Plant phenotyping technologies and introduction to the Finnish National Plant Phenotyping Infrastructure</u> Kristiina Himanen, University of Helsinki	
09.10-09.30	<u>Nutrient use efficiency in wheat</u> Martin Weih, SLU	
09.30-09.50	<u>Wheat grain quality</u> Eva Johansson, SLU	
09.50-10.00	<u>Brief discussion</u>	Plenary discussion
10.00-10.20	Coffee Break	
	<b>Session: Funding opportunities</b> Chair: Aakash Chawade, SLU	
10.20-12.00	<b>Group discussion:</b> Funding calls - Horizon 2020, Interreg Baltic, etc..	4 groups
12.00-12.45	Lunch	
12.45 -13.30	<b>Summarizing</b> funding application discussion Panel: Discussion group representatives	Plenary discussion
13.30-14.00	<u>Activities in 2018</u> Aakash Chawade	

List of Participants BalticWheat network kickoff meeting:

- 1. Aakash Chawade**  
Assistant Professor  
Dept. of Plant Breeding, Swedish University of Agricultural Sciences (SLU)  
Aakash.chawade@slu.se
- 2. Andrii Gorash**  
Researcher  
Inst. of Agriculture, Lithuanian Research Centre for Agriculture and Forestry (LAMMC)  
andrej@lzi.lt
- 3. Anne Ingver**  
Wheat breeder  
Estonian Crop Research Institute  
anne.ingver@etki.ee
- 4. Antanas Ronis**  
Senior Scientist  
Institute of Agriculture, LAMMC  
antanasr@lzi.lt
- 5. Eva Johansson**  
Professor  
Dept. of Plant Breeding, SLU  
Eva.johansson@slu.se
- 6. Gintaras Brazauskas**  
Director  
Institute of Agriculture, LAMMC  
gintaras.brazauskas@lzi.lt
- 7. Gunilla Berg**  
Plant protection advisor  
Jordbruksverket (Swedish Board of Agriculture)  
Gunilla.berg@jordbruksverket.se
- 8. Jan Svensson**  
Senior Scientist  
The Nordic Genetic Resource Centre (NordGen)  
jan.svensson@nordgen.org
- 9. Kristiina Himanen**  
Research coordinator  
University of Helsinki  
kristiina.himanen@helsinki.fi
- 10. Lise Nistrup Jørgensen**  
Senior Scientist  
Aarhus University  
lisen.jorgensen@agro.au.dk
- 11. Martin Weih**  
Professor  
Dept. of Crop Production Ecology, SLU  
martin.weih@slu.se

**12. Mati Koppel**

Director  
Estonian Crop Research Institute  
mati.koppel@etki.ee

**13. Mulatu Geleta Dida**

Associate Professor  
Dept. of Plant Breeding, SLU  
Mulatu.Geleta.Dida@slu.se

**14. Pernilla Vallenback**

Spring wheat breeder  
Lantmännen Lantbruk  
Pernilla.vallenback@lantmannen.com

**15. Piotr Bednarek**

Professor  
Plant Breeding & Acclimatization Institute, Poland  
p.bednarek@ihar.edu.pl

**16. Pirjo Makela**

Professor  
University of Helsinki  
pirjo.makela@helsinki.fi

**17. Reine Koppel**

Wheat Breeder  
Estonian Crop Research Institute  
Reine.koppel@etki.ee

**18. Rita Armoniené**

Researcher  
Institute of Agriculture, LAMMC  
armoniene.rita@gmail.com

**19. Rodomiro Ortiz**

Professor  
Dept. of Plant Breeding, SLU  
rodomiro.ortiz@slu.se

**20. Thomas Georg Roitsch**

Professor  
University of Copenhagen  
Roitsch@plen.ku.dk

**21. Tina Henriksson**

Senior Winter Wheat Breeder  
Lantmännen Lantbruk  
Tina.henriksson@lantmannen.com

**22. Wieslaw Podyma**

Researcher  
Plant Breeding & Acclimatization Institute, Poland  
W.podyma@ihar.edu.pl
