

Visualize your Science – Date and times for joint on-line sessions

The course Visualize your Science normally represents a mix of online modules and face-to-face feedback sessions, but due to the COVID-19 pandemic all joint sessions will be on-line sessions this time.

You will get access to all course material on the 1st of March. You also get the first assignment that should be finished by the first online meeting.

- Joint on-line session 1: Feedback on first assignment (about 1.5 h):

Will be offered several times each day from March 14th to March 17th

- Joint on-line session 2: Feedback on graphical abstract (about 1.5 h):

Will be offered several times each day during week 13 (March 28th to April 1st)

- Joint on-line session 3: Feedback on poster-in-progress (about 1.5 h):

Will be offered several times each day during week 16 (April 19th to April 22nd)

- Joint on-line session 4: Poster presentation and exam:

Will be offered several times each day during week 19 (May 9th to May 13th)

Apart from these mandatory sessions there will also be three optional drawing workshops online:

Workshop 1: March 23rd 10.00-12.00

Workshop 2: April 6th 10.00-12.00

Workshop 3: May 3rd 10.00-12.00
