

Visualize your Science – Date and times for joint sessions

The course Visualize your Science normally represents a mix of online modules and face-to-face feedback sessions, All joint sessions will be on-line sessions but two sessions will also be run face-to-face at campus

You will get access to all course material on the 1st of March. You also get the first assignment that should be finished by the first online meeting.

- Joint on-line session 1: Feedback on first assignment (about 1.5 h):

Will be offered several times each day from September 26th to September 29th

- Joint on-line session 2: Feedback on graphical abstract (about 1.5 h):

Will be offered several times each day during week 41 (October 10th to October 14th)

This session will also be offered face-to-face at campus on 11th of October if you prefer to meet in person

- Joint on-line session 3: Feedback on poster-in-progress (about 1.5 h):

Will be offered several times each day during week 44 (October 31st to November 4th)

- Joint on-line session 4: Poster presentation and exam:

Will be offered several times each day during week 46 (November 14th to November 17th)

This session will also run as a conference on campus on 17th of November from 9.00-16.00. In the conference you will print and present your poster to fellow course participants in Sweden. There will also be invited speakers with experience in visual communication and information design.

Apart form these mandatory sessions there will also be three optional drawing workshops online:

Workshop 1: October 5th 10.00-12.00

Workshop 2: October 19th 10.00-12.00

Workshop 3: November 9th 10.00-12.00
