

Swedish University of
Agricultural Sciences

European Bioenergy Markets, 5 hp, SH 0107

Time: 10th of October to 3rd of November

at SLU/School for Forest Management at Skinnskatteberg, SWEDEN.

This Bachelor-level course will expand your knowledge and understanding of European bioenergy markets. The course is aimed at students of forest management **or similar fields of study**. This is an intensive course with two study weeks at Skinnskatteberg (17-28 October) in combination with preparations **at your home university and a project finalized at home**.

The course language is English.

Read more about the course in [course syllabus](http://www.slu.se/education/courses) (www.slu.se/education/courses)
