EURAXESS

Researchers in Motion

EURAXESS is a unique pan-European initiative of the European Research Area, providing information and assistance services to researchers regardless their career stage. Backed by the European Commission and 42 European countries, it supports researcher mobility and career development, while enhancing scientific collaboration between Europe and the world.

EURAXESS services in a nutshell

- More than 15 years of experience in providing information and support services for researchers in, or wanting to stay connected to Europe.
- One of the largest networks supporting researcher mobility and career development, with more than 600 EURAXESS centers across Europe.
- EURAXESS Portal gathering up-to-date practical information on researcher's careers and mobility across 42 countries.
- Outreach to researchers in 8 international hubs through EURAXESS Worldwide offices.
- Services available free of charge to researchers and their families.

Inclusive, supportive, attractive research environment and careers

HR EXCELLENCE IN RESEARCH

EURAXESS actively contributes to better working conditions for researchers through assisting universities and research organisations in implementing the principles of the European Charter for Researchers and the Code of Conduct for the Recruitment of Researchers, using the HR Strategy for Researchers (HRS4R) procedure and e-tool. EURAXESS ensures an inclusive and supportive research environment through the free of charge assistance mechanism offered to incoming researchers and their families. EURAXESS also provides conditions for open, transparent and merit-based recruitment of research positions.

EURAXESS PORTAL

world of information at your fingertips

Whether you are thinking of taking your research to an international level or giving a boost to your career at home, the EURAXESS portal is an excellent starting point.

Search for job & funding opportunities

EURAXESS Jobs, Funding and Hosting Databases include thousands of vacancies, fellowships and hosting opportunities in all research fields in Europe and other regions of the world. Use of the databases is free of charge.

Find answers to your questions when moving to a new country

The EURAXESS national portals offer a comprehensive collection of practical information on living and working as a researcher in 42 European countries.

Connect with employers and other researchers

Register at the EURAXESS portal for free. Fill out your profile to be found by recruiters. Or become a research buddy for refugee researchers through **Science4Refugees**.

Explore the collection of resources that will help you to navigate through your career

The EURAXESS Career Development Resources for Researchers will help you explore your career options in and beyond academia, also plan your professional development in order to reach your career goals.

EURAXESS CENTRES

personalised assistance across Europe

Professionals in more than 600 EURAXESS centres in 42 countries are ready to help you.

Free relocation advice

Get free information and practical assistance on mobility-related issues such as entry conditions/visas, integration in the culture of the host country, working conditions, departure formalities, recognition of qualifications, social security, medical care, accommodation, banking and more.

Networking opportunities for you and your family

EURAXESS centres organise events and activities for international researchers to help them integrate and connect with the research community of the host country. Researchers' partners also matter to us: some of the EURAXESS centres offer career services and networking opportunities to researchers' spouses (Dual Career Service).

Support for your career development

EURAXESS staff will help you navigate resources for exploring your existing career opportunities and possibilities for professional development.
