

Day 1, 26 September

13.30 (75 min)	<p>Panel 5 - Agroecology, Food sovereignty and security, and Land Justice</p> <p>Chair: Cristian Alarcón</p>	<p>Panel 6 - Gender-based barriers and opportunities for food security and sustainable agricultural systems</p> <p>Chair: Eirini Daouti</p>	<p>Panel 7 - Animal production, pastoral and livelihoods</p> <p>Chair: Ivar Virgin</p> <p>Olivia Graaf Bjöersdorff Antimicrobial resistant Campylobacter is an urgent issue within food production systems in Uganda</p> <p>Billy Okemer Ipara Does diversity in farm production influence dietary composition of pastoral and agro-pastoral households? Evidence from West Pokot, Kenya</p> <p>Dinah Seligsohn Evil eye, dirty hands and squirrels - perceptions of mastitis among camel pastoralists in northern Kenya</p> <p>Bertha Chitambo Sustainable intensification of Zambian goat production in a changing world</p>	<p>Panel 8 - Gender and human rights approaches to food production</p> <p>Chair: Johanna Bergman Lodin</p> <p>Karolin Andersson Our Kigali? Intersections of gender and age in the formation of livelihoods and positionalities of urban and peri-urban farmers in Kigali, Rwanda</p> <p>Jaqueline Kajembe Following in the footsteps of the successful spice farmers: diversification and gender inclusiveness as determining factors</p> <p>Ana Garcia Juanatey Beyond the human right to food: the contribution of the principle of equity and poverty eradication to reaching sdg2 on zero hunger</p> <p>Judith Irene Nagasha Gender-based approaches for improving milk safety, value addition and marketing among smallholder livestock farmers in Western Uganda</p>
14.45 (15 min)	Break			
15.00 (30 min)	Wrap-up of Day 1			
15.30 (30 min)	Mingle			

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2

Day 2, 27 September

08.30 (30 min)	The conference platform opens			
09.00 (45 min)	<p align="center">Welcome to Day 2 Chair: Bridget Bwalya</p> <p align="center">Keynote speaker - Betty Kibaara, Director in the Food Initiative at The Rockefeller Foundation, Africa Region Office</p> <p align="center">Keynote speaker - Seema Kulkarni, National Facilitation Team member of Mahila Kisan Adhikar Manch (MAKAAM) Forum for women farmers' rights</p>			
09.45 (15 min)	Break			
10.00 (75 min)	<p>Panel 9 - A more robust food supply - research in and for uncertain times (Part 1)</p> <p>Chair: Elin Rööös</p>	<p>Panel 10 - From Project interventions to Transformative Impacts: Charting Paths for Sustained Adoption of Agri-Food Innovations</p> <p>Chair: Adewole Olagoke</p>	<p>Panel 11 - Agroforestry: From Asia to Africa</p> <p>Chair: Linnea Pasquier</p> <p>Kuntum Melati <i>Strengthening Policy Support for Smallholders under the EU Deforestation Regulation in Southeast Asia</i></p> <p>Van Hung Do <i>Fruit-tree based agroforestry for a sustainable farming system in the sloping uplands northwest Vietnam</i></p> <p>Edna Lugano <i>Human Rights-Based Approach for attaining food, nutrition and income security: A case of Agroforestry for Livelihood Empowerment Program</i></p> <p>Huu Thuong Pham <i>Light distribution and interception in fruit-crop agroforestry practices on sloping land</i></p>	<p>Panel 12 - Indigenous knowledge production and rights in food system</p> <p>Chair: Jamila Haider</p> <p>Sintayehu Tamene <i>Evaluating the diversity of knowledge about medicinal plants among three ethnic groups in South-central Ethiopia</i></p> <p>Repa Kustipia <i>Sundanese eco-gastronomy: build back better ecology with ethnofood and ethnobotany</i></p> <p>Prabu Nadaraja <i>Building resilience through revitalisation of indigenous food systems in the northern province, Sri Lanka: A case of nourish north initiative</i></p> <p>Purabi Bose <i>Films as human rights: through the lens of indigenous people's forest food</i></p>
11.15 (30 min)	Partners pitch			
11.45 (45 min)	Break			

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2

Day 2, 27 September

	<p>Round table discussions</p> <p>Building the resilience of smallholder farmers through biodiversity</p> <p>Chairs: Bobby Ogwang and Aileen Kendi</p>			
13.15 (15 min)	Break			
13.30 (75 min)	<p>Panel 12 - A more robust food supply – research in and for uncertain times (Part 2)</p> <p>Chair: Elin Rööös</p>	<p>Panel 14 - Food productions and innovations</p> <p>Chair: Johanna Bergman Lodin</p> <p>Gabrielle Edwards <i>Utilizing a Hydroponic Shipping Container Farm for Food Systems Education: A Case Study</i></p> <p>Dheeraj Singh <i>Kharchia wheat from Pali, India: a local landrace showcasing resilience under Saline Agroecosystem</i></p> <p>Gideon Danso-Abbeam <i>Greenhouse Farming Technology as Climate-Smart Agriculture: Heterogenous Effects on Farm Performance in Ghana</i></p> <p>Virginia Gonzales <i>Greenhouse study of growth-promoting bacteria to improve drought tolerance in quinoa</i></p>	<p>Panel 15 - Modelling, innovation and big data for sustainable food system,</p> <p>Chair: Mattias Jonsson</p> <p>Thomas Daum <i>Moving beyond the productivity paradigm: Agricultural innovation systems and sustainable transformation in Africa</i></p> <p>Justin Munyaka <i>Agriculture expansion into forest reserves in Zambia: A remote sensing approach</i></p> <p>Rafaela Flach <i>The Global Subnational Agricultural Platform (GSAP): Addressing the information gap in agricultural production data for improved food security</i></p> <p>Muhammad Naveed Arshad <i>Landscape Decision System through spatial modelling tools to ensure food security</i></p>	
14.45 (15 min)	Break			
15.00 (30 min)	Wrap-up of Day 2			
15.30 (30 min)	Mingle			

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2

Day 3, 28 September

08.30 (30 min)	The conference platform opens /mingle			
09.00 (45 min)	<p style="text-align: center;">Welcome to Day 3 Chair: Bridget Bwalya</p> <p style="text-align: center;">Keynote speaker - Appolinaire Djikeng, Director General of the International Livestock Research Institute (ILRI)</p> <p style="text-align: center;">Keynote speaker - Wangu Mutua, Deputy Regional Director for Vi Agroforestry</p>			
09.45 (15 min)	Break			
10.00 (75 min)	<p>Panel 16 - Unlocking the potential of the African continental free trade area for fostering inclusive development and sustainable food systems</p> <p>Chair: Assem Abu Hatab</p>	<p>Panel 17 - Smallholders attitude toward food and agro-productions</p> <p>Chair: Madeleine Fogde</p> <p>Mesia Ilomo <i>Agricultural biologicals in sub-Saharan Africa: smallholder farmers' perspectives</i></p> <p>Allan Mweke <i>Assessment of smallholder farmers' knowledge, attitude and practice on use of agricultural biologicals in Kenya</i></p> <p>Blanca González-Mon <i>Mapping response interactions to deal with coalescing changes in a South African food value</i></p> <p>Tewodros Zewdie <i>Knowledge, attitude, and practices (KAP) of smallholder farmers on agricultural inputs with a focus on biologicals</i></p>	<p>Panel 18 - Renewable energy and supply chains</p> <p>Chair: Aileen Kendi</p> <p>Uwingabire Solange <i>Biochar from cookstoves: Farmer-led French bean trials from smallholder farmers in Rwanda</i></p> <p>Jorge Marco <i>Enhancing resilience: multi-scale network analysis in the integration of the land perspective within the water-energy-food nexus</i></p> <p>Mweetwa Sikamikami <i>Renewable energy-powering food value chains</i></p> <p>Franziska Ollendorf <i>Future pathways for a new division of roles and responsibilities in the global cocoa-chocolate chain</i></p>	<p>Panel 19 - Agricultural production</p> <p>Chair: Mattias Jonsson</p> <p>Diwakar Kumar <i>Valuable Soils and Minimised Chemical Fertiliser Content Analysis in Arid Regions of Gujarat</i></p> <p>Hajara Hilal Yusuf <i>Reimagining the cultural landscape of Oryza Sativa L. (Pokkali rice)</i></p> <p>Dheeraj Singh <i>Seed Village Programme for food sovereignty: A success story from arid zone</i></p> <p>Ibsa Aliyi Usmane <i>Contribution of hot pepper production to household food security and income generation in Gursum District, Oromia Regional State, Ethiopia</i></p>

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2

Day 3, 28 September

11.15 (30 min)	<p style="text-align: center;">Guided poster walks</p> <p style="text-align: center;">Enhancing Food Security through Climate-Smart-Agricultural Practices: Micro-Economic-level Evidence from Smallholder maize farmers in South Africa - Abeeb Omotoso</p> <p style="text-align: center;">Biofortification of Cereals Based Bread Using Orange Fleshed Sweet Potato for Alleviating of Vitamin-A Deficiency - Kedir Jebo</p> <p style="text-align: center;">Potential Opportunity in the Cassava value chain:A Nigeria case study - Ibikunle Olaleru</p> <p style="text-align: center;">Backyard garden contribution to the food security status of urban households - Chiedza L. Muchopa</p> <p style="text-align: center;">Rotavirus Genotypes Circulating in Calves and Children in Central Ethiopia - Yisehak Tsegaye Redda</p> <p style="text-align: center;">Impact of climate change on management practices of maize: case of Mount Makulu, Zambia - Charles Bwalya Chisanga</p> <p style="text-align: center;">Crop Yield Perdition in a Heterogeneous Agricultural Region using Remote Sensing Images and Machine Learning Algorithm - Rashed Uz Zzaman</p> <p style="text-align: center;">Genetic diversity in old and alien wheat genotypes for nutritionally important traits - Olawale Jubril Olalekan</p>
11.45 (45 min)	Break
12.30 (45 min)	<p style="text-align: center;">Round table discussions</p> <p style="text-align: center;">Engaging stakeholders and translating science into policy and practice</p> <p style="text-align: center;">Chairs: Ivar Virgin and Sofia Boqvist, AgriFoSe2030</p>
13.15 (15 min)	Break

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2

Day 3, 28 September

13.30 (75 min)	<p>Panel 20 - Food systems in the face of climate and exogenous shocks: Building back better for increased resilience</p> <p>Chair: Enock Owusu-Sekyere</p>	<p>Panel 21 - Pest and sanitation</p> <p>Chair: Mattias Jonsson</p> <p>Sivlin Ung <i>Screening and Evaluating Potential Lactic Acid Bacterial from Cambodian fermented vegetables</i></p> <p>Laingshun Huoy <i>Prevalence of Salmonella spp. in meat and leafy green vegetable from local market and vegetable farms in Phnom Penh, Cambodia</i></p> <p>Thomas O'Malley <i>Mating disruption for sustainable control of the invasive fall armyworm in smallholder farming in East Africa: Possibilities and Constraints</i></p> <p>Nikolaos Alexandridis <i>Climate change and ecological intensification of agriculture in sub-Saharan Africa – a systems approach to predict maize yield in push-pull technology</i></p>	<p>Panel 22 - Market access and supply chains</p> <p>Chair: Bobby Ogwang</p> <p>Anne Elise Stratton <i>Sustainability from the bottom up: Finding common ground for sustainable agriculture and food systems through multi-actor visioning in Mexico</i></p> <p>Ogbonnaya Ukeh Oteh <i>Understanding the biofortified cassava market in Nigeria. Determinants of consumer demand and farmer supply</i></p> <p>Tabeer Riaz <i>Smallholder farmers' willingness to pay for improved access to irrigation water supply in Egypt: A contingent valuation approach</i></p> <p>Beatrice Manful <i>Contract farming and smallholder inclusion: factors motivating smallholder vegetable farmers into contract farming in South Africa</i></p>	
14.45 (15 min)	Break			
15.00 (30 min)	Wrap-up of Day 3			
15.30 (30 min)	Mingle			

Please note: All time slots displayed in the conference programme are in Central European Summer Time (CEST) / UTC+2
