

Registration to attend a face to face course in Translating Science into Policy and practice, 2023

I hereby wish to register for the course in Translating Science into Policy and Practice, March 27th-29th, 2023. (Note: If you already have attended a Translating Science into Policy and Practice course within the AgriFoSe programme, you are not eligible to attend again)

1. Family name:

First name:.....

☐ Male

☐ Female

University/research institute:

.....

City, country:

Email:

2. I have experience of translating my science into policy and practice:

☐ Yes

No ☐

If Yes, describe shortly how that is done:

.....

3. My research interests are within the following areas:

.....

.....

.....

.....

.....

4. I am involved in an AgriFoSe2030 project:

☐ Yes ☐ No

A. If Yes: The project I am involved in is run by the challenge (please mark which one):

- ☐ Challenge 1: Improving access to safe and nutritious food
- ☐ Challenge 2: Agricultural productivity and ecosystem function
- ☐ Challenge 3: Science-based innovation and extension
- ☐ Challenge 4: Smallholder agriculture within transforming food systems

The name of my project is:

.....

.....

B. If Yes: I have attended the training/workshops In Theory of change, Including Monitoring, Evaluation and Learning, to develop the AgriFoSe2030 project I am working with.

☐ Yes ☐ No

5. Write a 7-8 line bio including name, full title, professional affiliation (work position, current employer(s), and research areas/competences. Please, do also attach a digital photo (portrait) of yourself when you submit your registration. (The bios will only be distributed within the group of participants in the course, if you are selected for attendance)
