of the environmental
objectives

THE SWEDISH ENVIRONMENTAL PROTECTION AGENCY

Our remit and organisation

MARIA ÅGREN
Director General

The generational goal

Environmental problems must not be offloaded onto future generations.

To achieve the generational goal the Swedish Parliament (*Riksdag*) has, with a large majority, adopted 16 specific environmental objectives.

The 16 environmental objectives: the basis of our work

Forests Lakes Wetlands
Pollutants
Eutrophication
Plants and animals Ozone layer
Air Radiation environment
Groundwater
Mountains Sea
Built environment Acidification
Agricultural landscape

LARS EKLUND
Recycling of batteries and
management of electrical
and electronic waste

Our remit

**ESTABLISHING KNOWLEDGE
AND DOCUMENTATION**

**HELPING TO DEVELOP
ENVIRONMENTAL POLICY**

**IMPLEMENTING POLICY IN
COLLABORATION WITH OTHERS**

HUSAMUDDIN AHMADZAI

WITH OTHERS**

BUILDING KNOWLEDGE AND DOCUMENTATION

Research and Assessment Department

We monitor the state of Sweden's environment and progress in achieving the environmental objectives.

We offer other stakeholders in society knowledge that is in demand and easily accessible.

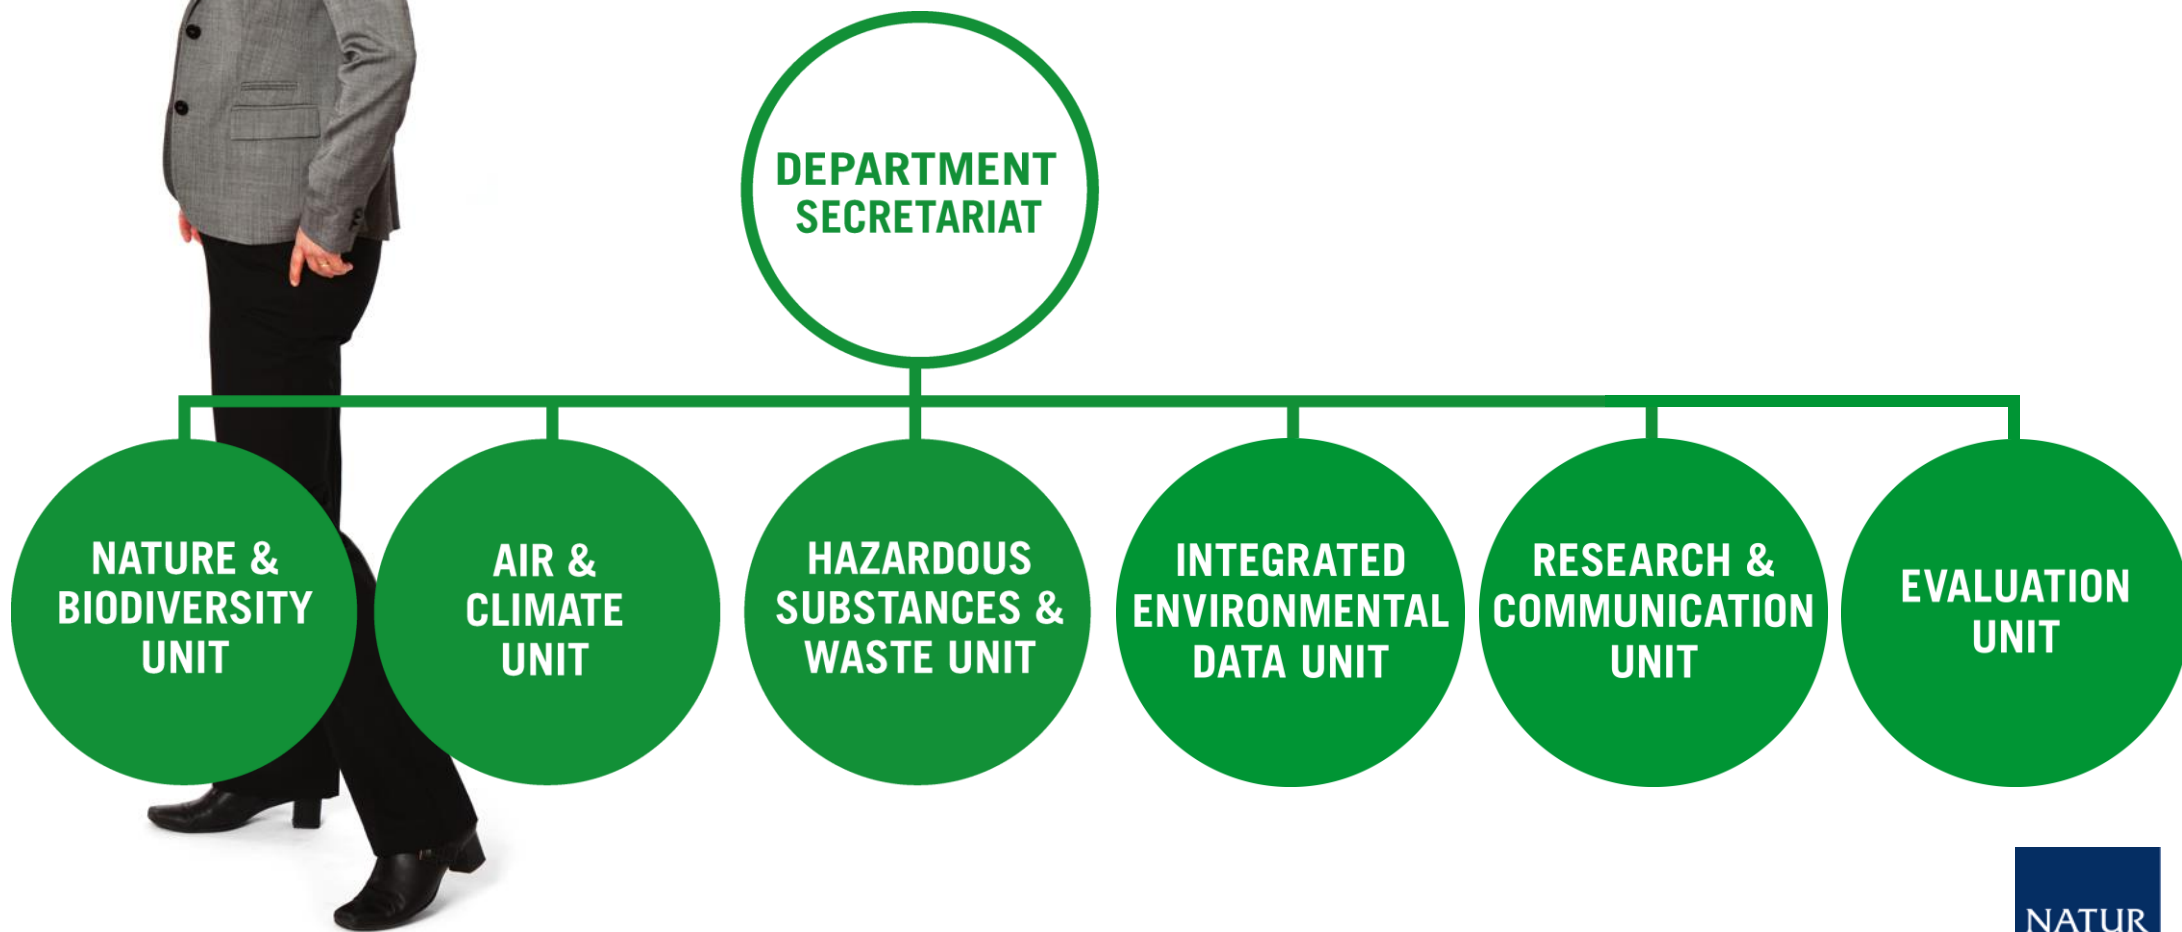

We fund and invest in research that promotes progress in pursuit of the objectives.
