

*Interested in doing a post doc?
Do you know when, where and how you can apply for funding?
Do you need more information?*

***Welcome to the seminar:
How to become a post doc!
Friday March 15th 9.30 -16.00, 2019***

Welcome on **Friday March 15th** to the seminar where you will meet representatives from the Swedish research councils Formas and VR, the union (SULF), and several post docs. We have also invited two researchers that will discuss and give you their perspectives on writing applications and evaluating applications.

Come and learn about what is required to apply for funds or positions, why you should do a post doc, possibilities to keep your social benefits during your post doc time and what other things may be important to consider. Coffee and lunch is included. The seminar takes place in **Lecture hall J, Undervisningshuset, Almas allé 10, Ultuna campus.**

Priority is given to third and fourth year PhD students. **For registration on a first serve basis send an e-mail to:** Nina Lind nina.lind@slu.se on **March 6th the latest.** *Please include the information: name, affiliation, how far you have reached in your PhD-studies and if you have any special food requirements for the lunch.*
