

PVG0043 How to write your first grant application, 1.0 credits

PhD course arranged by Graduate School for Veterinary Medicine and Animal Sciences (GS-VMAS)

Course date: January 17-20, 2022

Location: Uppsala (digital participation possible)

Content

The course will consist of a series of short lectures and demonstrations, plus some exercises that the students do themselves in groups, and individually. There is a voluntary written assignment to write a grant application. After completing the course, the student shall be able to:

- 1) Describe the different grants that are available
- 2) Explain how to find suitable calls
- 3) Use the information provided in the call to prepare a template for the application
- 4) Describe what the assessors look for in the application
- 5) Explain how to prepare a budget for a grant application
- 6) Create their own Prisma account

Prerequisites

Admitted to a postgraduate program in animal science, biology, veterinary medicine, food science, nutrition, nursing, or related subjects, or to a residency program in veterinary science. Post-docs are also welcome!
