ECLAS Award and Announcement of ECLAS 2022 Conference
## Conference programme

### MONDAY 13 SEPTEMBER

**MONDAY 09.00–10.30 PLENARY SESSION**

**Organisation and moderation:** Åsa Ahrland, Lars Johansson and Bruno Santesson  
**INAGURATION:** Maria Knutsson Wedel, Vice-Chancellor of SLU Swedish University of Agricultural Sciences  
**A WORD FROM THE PRESIDENT:** Ellen Fetzer, President of ECLAS

**THE ANTHROPOCENE AND THE ANTHROPAUSE**  
**KEYNOTE SPEAKER:** Jamie Lorimer, Professor of Environmental Geography at University of Oxford

### MONDAY 10.30–11.00 NETWORKING

### MONDAY 11.00–12.30 PARALLEL SESSION

#### CLIMATE CHANGE AND ADAPTATION: Stop and breathe—Rethinking green and blue infrastructure as integrated conflict resolution

**Thematic roundtable**  
**Moderator(s):** Katrin Hagen, Susann Ahn and Thomas Hauck

**506. Stop and Breathe: Rethinking green and blue infrastructure as integrated conflict resolution**  
Katrin Hagen, Technische Universität Wien  
Susann Ahn, Technische Universität Wien  
Thomas Hauck, Technische Universität Wien

#### CULTURAL LANDSCAPE: Analysis of values and ethics of cultural landscape for planning and design

**Academic paper session**  
**Moderator(s):** Andrew Buller and Gunilla Lindholm

**364. Analyzing the Values and Ethics of Cultural Landscapes as a Guide for Living Systems of the Future**  
Ilke Marschall, Fachhochschule Erfurt  
Gitishree Panda, Fachhochschule Erfurt  
Jessica Machaleit, Fachhochschule Erfurt

**447. Sacred Sites in the Landscape to Stop and Think**  
Attila Tóth, Slovak University of Agriculture In Nitra

**511. Wisdom (Still) Sits in Places**  
Ashim Kumar Manna, Katholieke Universiteit Leuven

#### DESIGN HISTORY, THEORY AND METHODS: Methods and experiences—Social context and natural form

**Academic paper session**  
**Moderator(s):** Petra Thorpert and Daniel Jauslin

**338. Reconsidering the Modern Paradigm in Spatial Design**  
Tibor Keskes, Budapest University of Technology and Economics  
Gabriella Szaszak, Szent Istvan University

Matluba Khan, Cardiff University
How Crowding Norms Changed in Urban Green Spaces? Scenario Development

Self (Field) Work: Ambition and Reality for Young Landscape Architects

Mindfulness Place: Creating moment and space to stop and think

A Critical Examination of Green Pathways to a Healthy City Supporting Well-Being

What's Fair? Justice in Green Space Provision

Stop, Assess and Learn: Self and Peer learning in Landscape Planning education

Rural Tourism in the Context of Pandemic and New Normal: Opportunities and challenges

Urban Green Space in Edinburgh: How Important is it in Promoting Stress Reduction for Improved Health

An EU Common Training Framework for Landscape Architecture Addressing the Current Needs of Society

The Recreational Potential of Forests and their Biological Diversity: A Paradox

Moderator(s): Ingrid Sarlóv-Herlin

学术论文会 论题：探索信息教育的可能性及其在景观建筑中的实际应用

Moderator(s): Meri Manneria-Magnusson, Aalto University Helsinki

IFLA数据库项目：一个关于信息教育的可能性及其在景观建筑中的实际应用

Moderator(s): Emilia Weckman, Aalto University Helsinki; Andrea Tutundžić, University of Belgrade; Marina Cervera Alonso de Medina, Universitat Politècnica de Catalunya; Bruno Marques, University of Victoria Wellington

An EU Common Training Framework for Landscape Architecture Addressing the Current Needs of Society

Moderator(s): Jeroen de Vries, LE NOTRE Institute; Gintaras Slusiauskas, Vilnius Tech; Fritz Auweck, University of Applied Sciences Weihenstephan-Triesdorf, Federation of German Landscape Architects (BDLA); Rosana Tribó, LE NOTRE Institute; Maria Beatrice Andreucci, Sapienza University of Rome; Marina Cervera Alonso de Medina, LE NOTRE Institute; Laura Cipriani, Delf University of Technology; Margarida Cancela de Abreu, IFLA Europe; Maria Freire, University of Evora; Aurora Carapinha, University of Evora; Maria de Concepción Castro, University of Evora; Cristina Del Pozo, Rey Juan Carlos University; Vaira Devišienė, Vilnius Tech; Hermann Georg Gumulkauson, Agricultural University of Iceland; Albert Fekete, Hungarian University for Agriculture and Life Sciences; Ellen Felzer, ECLAS; Luca F. M. Fabris, Scuola AIC Politecnico di Milano; Maria Freire, University of Evora; Radmila Fingenova, Czech Technical University in Prague; Daviorti Gazwoda, University of Ljubljana; Akaterini Oikosou, IFLA Europe; Mihaila Harmanescu, Ion Mincu University of Architecture and Urbanism; Manika Kamenetska, University of Zagreb; Vesa Koskil, Maccio-Stoic, University of Zagreb; Antonella Melone, IFLA Europe; Eija Mertens, University of Applied Sciences Neubrandenburg; Sophia Meares, University College Dublin; Veit Ottoaeus, Akdeniz University, Antalya; Adrian Noortman, Van Hall Larenstein University of Applied Sciences; Máté Sárósipataki, Hungarian University for Agriculture and Life Sciences; Richard Stiles, Vienna Technical University; Attila Tóth, Slovakian Agricultural University Nitra; Katinka Mihova, Union of Landscape Architects Bulgaria; Toomas Muru, Estonian University of Life Sciences; Torben Dam, University of Copenhagen; Zydi Teija, Agricultural University of Tirana, Albania

Our Field and Profession—Understandings, Role and Future: Profession and education

Moderator(s): Ingrid Sarlóv-Herlin

Meri Manneria-Magnusson, Aalto University Helsinki

376. IFLA Database Project: A tool for information on education possibilities and professional practice in landscape architecture

Emilia Weckman, Aalto University Helsinki; Andrea Tutundžić, University of Belgrade; Marina Cervera Alonso de Medina, Universitat Politècnica de Catalunya; Bruno Marques, University of Victoria Wellington

459. An EU Common Training Framework for Landscape Architecture Addressing the Current Needs of Society

Jeroen de Vries, LE NOTRE Institute; Gintaras Slusiauskas, Vilnius Tech; Fritz Auweck, University of Applied Sciences Weihenstephan-Triesdorf, Federation of German Landscape Architects (BDLA); Rosana Tribó, LE NOTRE Institute; Maria Beatrice Andreucci, Sapienza University of Rome; Marina Cervera Alonso de Medina, LE NOTRE Institute; Laura Cipriani, Delf University of Technology; Margarida Cancela de Abreu, IFLA Europe; Maria Freire, University of Evora; Aurora Carapinha, University of Evora; Maria de Concepción Castro, University of Evora; Cristina Del Pozo, Rey Juan Carlos University; Vaira Devišienė, Vilnius Tech; Hermann Georg Gumulkauson, Agricultural University of Iceland; Albert Fekete, Hungarian University for Agriculture and Life Sciences; Ellen Felzer, ECLAS; Luca F. Social Context: What’s fair? Justice in green space provision

Moderator(s): Dagmar Grimm-Pretner, Doris Gotsch and Roswitha Weichselbaumer

282. What’s Fair? Justice in Green Space Provision

Dagmar Grimm-Pretner, University of Natural Resources and Life Sciences, Vienna; Doris Gotsch, Erfurt University of Applied Sciences; Roswitha Weichselbaumer, University of Natural Resources and Life Sciences

Urban and Rural: Rural landscapes

Moderator(s): Joanna Storie and Simon Bell

453. Rural Tourism in the Context of Pandemic and New Normal: Opportunities and challenges

Xuecheng Cai, Hungarian University of Agriculture and Life Sciences

486. The Recreational Potential of Forests and their Biological Diversity: A Paradox

Öner Demirel, Kirkikale University; Seyhan Seyhan, Karadeniz Technical University; Meryem Biletir Bingül Bulut, Kirkikale University
The research on “Value-Character” of Rural Landscapes: Fengyan Ancient Rice Terraces, China
Siyu Liu, Huazhong Agriculture University in Wu Han │ Le Wang, Huazhong Agriculture University in Wu Han

MONDAY 12.30–13.00 NETWORKING

CLIMATE CHANGE AND ADAPTATION: Climate change Part 1
Academic paper session
Moderator(s): Laura Cipriani and Martin van den Toorn

353. Responsible Planning with the Climate in Landscape Architecture: Simple patterns of action for the planning process
Hendrik Lasue, TU OWL University of Applied Sciences and Arts

390. Climate Displacement: ‘New lives, new landscapes’
Sandra Costa, Birmingham City University │ Russell Good, Birmingham City University

471. Thinking about Floodscapes: The Charente estuary as Terrain Vague
Francesco Cauda, Aarhus School of Architecture

473. Bodies in Between: Sensing Antarctica through a cartography of precarity
Louisa King, University of Technology, Sydney │ Tamsin Salehian, University of Technology Sydney

CULTURAL LANDSCAPE: Historical outlooks
Academic paper session
Moderator(s): Lei Gao and Luca Csepely-Knorr

326. Landscape Based Memorials
Eszter Bakay, Hungarian University of Agriculture and Life Sciences

379. Urban Parks as an Approach to Face Climate Change Issues and Social Well-Being: The case of Tunisian urban parks from the colonial period
Chaima Lahmar, Hungarian University of Agriculture and Life Sciences │ Sarah Ben Salem, Hungarian University of Agriculture and Life Sciences

Zhiyuan Zhang, Huazhong Agriculture University │ Le Wang, Huazhong Agriculture University

510. Sacred Places: The cubas from southern Portugal
Luís Ferro, FAUP Centro de Estudos de Arquitectura e Urbanismo

DESIGN HISTORY, THEORY AND METHODS: Transformative tools and practices in landscape architecture—Exploring thinking, mindfulness and listening Part 2
Academic paper session
Moderator(s): Vera Vicenzotti and Victoria Sjöstedt

495. Stop and Think. How to? Learning From a Reptonian Experiment
Barbara Prezzi, University of Edinburgh

500. Still Moving: Politics of Suspension
Hannah Hopewell, Victoria University of Wellington

518. Stop Landscaping and Think Landscaping
Monica Manfredi, Politecnico di Milano

DESIGN HISTORY, THEORY AND METHODS: The gap between policy and design—A case of India
Event
Moderator(s): Amrita Kaur Slatch

388. The Gap Between Policy and Design: A case of India
Amrita Kaur Slatch, School of Planning and Architecture, New Delhi │ Intekhab Alauddin Sheikh, Jamia Millia Islamia

GREEN LANDSCAPES AND LIVING: Environmental sustainability, green infrastructures and circular cities
Academic paper session
Moderator(s): Helena Nordh and Daniel Jauslin

272. The Role of Design of Traffic Systems for Bicycles in Energy Transition: A case study from Utrecht as ‘bicycle city’
Martin van den Toorn, Delft University of Technology

397. Thermal Landscape Construction and Energy-saving Design of Urban Public Space
Zhuyu Yu, Tongji University │ Dexuan Song, Tongji University

GREEN LANDSCAPES AND LIVING: Urban green space—Perception and leftover spaces
Academic paper session
Moderator(s): Tomas Eriksson and Maria Wisselgren

341. Making Places of Interstices: Design with urban leftover spaces for stop and thinking
Sitong Luo, Delft University of Technology │ Saskia De Wit, Delft University of Technology

417. Taken-for-granted Air in the Human Habitats
Indra Purs, Urban Institute

OUR FIELD AND PROFESSION—UNDERSTANDINGS, ROLE AND FUTURE: Collaborative design of urban open space in a borderless era—Mere illusion or new paradigm?
Thematic roundtable
Moderator(s): Sonia Curnier and Lisa Babette Diedrich
Presenter(s): Martin Allik and Benita Braun-Feldweg
Discussant(s): Burcu Yigit Turan, lavo Janches and Paola Alfaro d’Alençon

337. Collaborative Design of Urban Open Space in a Borderless Era: Mere illusion or new paradigm?
Sonia Curnier, Swedish University of Agricultural Sciences │ Lisa Babette Diedrich, Swedish University of Agricultural Sciences
MONDAY 15.00–16.30 PARALLEL SESSION 3

CLIMATE CHANGE AND ADAPTATION: Climate change Part 2
Academic paper session
Moderator(s): Taneha Kuzniecow Bacchin and Martin van den Toorn

308. The Changing Significance of Urban Infrastructure: A Study of Dikes in the Dutch Landscape
Sarah Trouvelot, Morgan State University

441. (Unc)ertain Lines: Marginal coastal landscapes of North-East Italy
Laura Copiani, Delft University of Technology

CULTURAL LANDSCAPE: Spirituality and health
Academic paper session
Moderator(s): Amanda Gabriela and Attila Tóth

421. Confessional in Nature: To enjoy the world as a place to live
Maria Sara Cambaghi, MSc Planning

509. Places of Liberation: The horstus conclusus of the cells of the Évora Charterhouse
Luís Ferro, University of Porto

DESIGN HISTORY, THEORY AND METHODS: What does site matters look like to ...? Reflections on writing and reading landscapes in the Anthropocene
Panel
Moderator(s): Andrea Kahn
Panelists: Dirk Eijmons, Lisa Diedrich, Jane Wolff, Thaisa Way, Kristina Hill

444. What Does Site Matters Look Like to ...? Reflections on writing and reading landscapes in the Anthropocene
Andrea Kahn, Swedish University of Agricultural Sciences

EDUCATION AND PEDAGOGY: The role of the landscape architect profession in the light of global changes
Academic paper session
Moderator(s): Urszula Forczek-Brataniec and Margarida Cancela d’Abreu

415. The Role of the Landscape Architect Profession in the light of Global Changes
Urszula Forczek-Brataniec, IFLA Europe, Cracow University of Technology │ Margarida Cancela d’Abreu, IFLA Europe

GREEN LANDSCAPES AND LIVING: Planting design—Construction materials, landscape engineering and sustainability assessment
Academic paper session
Moderator(s): Kinga Szilágyi and Nadja Penko Seidl

283. Exploring Urban Ground: Investigating locally sourced earthen materials through design research in landscape architectural education
Susanne Trumpf, The University of Hong Kong

350. Ecological Indicators for the Operating Level: What assessment systems can achieve?
Hendrik Laue, TH OWL University of Applied Sciences and Arts

377. Effects of Climate Change on the Reconstruction and Maintenance of Planting Design of Historic Gardens
Kristiína Szabó, Hungarian University of Agriculture and Life Sciences │ Judit Doma-Tarczsy, Hungarian University of Agriculture and Life Sciences │ Kinga Szilágyi, Hungarian University of Agriculture and Life Sciences

391. The Garden Integrated into the Landscape: Ecology linked with aesthetics values
Ana Luisa Soares, Universidade de Lisboa │ Luisa Garcia, Universidade de Lisboa │ Marta Salazar, ARQOUT Edificio Inovisa, Universidade de Lisboa │ Cristina Oliveira, ARQOUT Edificio Inovisa, Universidade de Lisboa │ Sonia Azambarlu, Universidade de Lisboa │ Dalila Espirito-Santo, Universidade de Lisboa

SOCIETAL CONTEXT: Participatory planning and design—Social inclusion, representation Part 1
Academic paper session
Moderator(s): Andrew Butler and Anders Larsson

Academic paper session
Moderator(s): Emma Buller and Márí Jansson
444. Urban Ecosystems: Challenges and new perspectives for landscape architecture
Manuela Ronci, Politecnico di Torino/Università di Torino
499. Evaluating the Implementation of Ecological-space Control Planning: A case study of Metropolitan Development Zone in Wuhan, China
Chun Li, Tongji University | Zhiying Wang, Huazhong University of Science and Technology

OUR FIELD AND PROFESSION—UNDERSTANDINGS, ROLE AND FUTURE: Asserting Landscape Identity Amidst Rapid Development in the New East
Event
Moderator(s): Benjamin Hackenberger and Christian Moore
512. Asserting Landscape Identity Amidst Rapid Development in the New East
Sarah Cowles, Ruderal (Isthmus Group) | Benjamin Hackenberger, Ruderal (Isthmus Group)

SOCIAL CONTEXT: Participatory planning and design—Social inclusion, representation Part 2
Academic paper session
Moderator(s): Andrew Butler and Anders Larsson
358. The Role of Landscape Design in Promoting Social Inclusion
Nayla Al-Ali, American University of Beirut
366. Inclusive Designs
Gerdy Verschuure-Stuip, Delft University of Technology
496. Observe with Others—To be led by Fellow Children-Co-Researchers
Sabina Jallow, Malmö University

TUESDAY 10.30–11.00 NETWORKING

CLIMATE CHANGE AND ADAPTATION: Energy Transition
Academic paper session
Moderator(s): Josefin Wangel and Emma Buller
273. Energy Transition and Hungarian Landscape Architecture
Zita Szabó, Hungarian University of Agriculture and Life Sciences | Agnes Sallay, Hungarian University of Agriculture and Life Sciences | Martin van den Toorn, Delft University of Technology
296. How to Integrate Energy Transition and Improving of the Water System in the Context of Climate Change?
Martin van den Toorn, Delft University of Technology | Albert Fekete, Hungarian University of Agriculture and Life Sciences
339. Re-thinking the Contribution of Landscape Architecture in Energy Transition Era
Roberta Pistoni, LAREP-ENSP Versailles/AgroParisTech-ABIES | Patrick Moquay, LAREP-ENSP Versailles
INDEPENDENT SESSION: Think with the editors—Academic publishing in Journal of Landscape Architecture
Thematic roundtable
Moderator(s): Imke van Hellemont and Anaïs Legen-Smith
517. Think With the Editors: Academic publishing in Journal of Landscape Architecture
Imke van Hellemont, Journal of Landscape Architecture/ Vrije Universiteit Amsterdam  |  Anaïs Legen-Smith, Toulouse School of Architecture

TUESDAY 12.30–13.00  NETWORKING

TUESDAY 13.00–14.30  PARALLEL SESSION

CLIMATE CHANGE AND ADAPTATION: Climate adaptation
Academic paper session
Moderator(s): Emma Butler and Josefin Wangel
438. Climate Change Adaptation: Highlighting examples of civilian action in the climate crisis
Carey Clouse, University of Massachusetts, Amherst
464. Sustainable Water Management Strategies from Historical Perspective: Comparative study of Ganzhou, China and Szolnok, Hungary
Ning DongGe, Hungarian University of Agriculture and Life Sciences  |  Timae Katalin Endai, Hungarian University of Agriculture and Life Sciences
475. Ecological Wisdom in Traditional Lake Landscapes: Lessons from the history of West Lake governance in ancient China
Chun Li, Tongji University  |  Zheyue Wang, Tongji University

CULTURAL LANDSCAPE: Landscape imaginaries, citizenship, belonging, otherness, biopolitics
Academic paper session
Moderator(s): Mattias Qviström and Mia Ågren
331. Approaching Queer Island: Otherness and imagined landscapes
Tim Waterman, Bartlett School of Architecture, University College London
336. Do you have the-right-key to the open spaces?
Mate Szarospataki, Hungarian University of Agriculture and Life Sciences  |  Peter Györi, Hungarian University of Agriculture and Life Sciences
371. Material Fuzziness: Landscape as operational background
Lucia Jalin Oyarzun, EPFL École Polytechnique Fédérale de Lausanne
499. The Multiple Faces of Trash Bins, Benches and Bike Stands: Towards a sociomaterial conceptualization of street furniture
Johan Wendelv, Swedish University of Agricultural Sciences

DESIGN HISTORY, THEORY AND METHODS: A thought experiment—A journey to YOUR car-free urban landscape
Event
Moderator(s): Nina Vogel
498. A Thought Experiment: A journey to YOUR car-free urban landscape
Nina Vogel, Swedish University of Agricultural Sciences

EDUCATION AND PEDAGOGY: Climate change and sustainability
Academic paper session
Moderator(s): Michael Jones and Malin Eriksson
461. Embedding Sustainability and Climate Change in interdisciplinary studio pedagogy: A methodological framework
Sareh Mosavi, Université Libre de Bruxelles  |  Judy Bush, University of Melbourne
487. Young Climate: Activation of young people through landscape architecture
Roland Tusch, University of Natural Resources and Life Sciences, Vienna  |  Jürgen Fürchlehrer, University of Natural Resources and Life Sciences, Vienna  |  Daniela Lehner, University of Natural Resources and Life Sciences, Vienna  |  Lilli Lička, University of Natural Resources and Life Sciences, Vienna
515. Thinking as an Action
Başak Akarau, Istanbul Technical University  |  Gizem Aluçlu, Istanbul Technical University  |  Gülşen Aytaç, Istanbul Technical University  |  Hayriye Eşbah Tunçay, Istanbul Technical University

GREEN LANDSCAPES AND LIVING: Post/human Landscape—Playing the new metaphors of hybridization within the cities’ metabolism
Event
Moderator(s): Angelica Stan
303. Post/Human Landscape—Playing the new metaphors of hybridization within the cities’ metabolism
Angelica Stan, Ion Mincu University of Architecture and Urbanism

GREEN LANDSCAPES AND LIVING: Performative Botany—How landscape can be inclusive for non human beeing? A discussion between landscape architects and health gardens researchers
Thematic roundtable
Moderator(s): Thierry Kandjee, Vitalija Povilatytė-Petri and Sugir Seliah
316. Performative Botany: How landscape can be inclusive for non human beeing? A Discussion between landscape architects and health gardens researchers
Thierry Kandjee, La Cambre Horta Brussels ULB Brussels  |  Vitalija Povilatytė-Petri, University of Mons  |  Sugir Seliah, Health Gardens, Brussels

OUR FIELD AND PROFESSION—UNDERSTANDINGS, ROLE AND FUTURE: Profession and context
Academic paper session
Moderator(s): Carola Wingren and Caroline Dahl
324. To Design or not to Design?
Anna Wilczynska, Warsaw University of Life Sciences/ Estonian University of Life Sciences
13.00-14.30

SOCIAL CONTEXT: Landscape architecture without borders—humanitarianism and emergency in landscape architecture
Thematic roundtable
Moderator(s): Maria Gabriella Trovato

URBAN AND RURAL: Urban development—conservation tensions in peri-urban landscapes/urban morphology
Academic paper session
Moderator(s): Doris Gstach

INDEPENDENT SESSION: Digitalisation
Academic paper session
Moderator(s): Olaf Schroth and Marina Cervera

TUESDAY 14.30–16.00

PLENARY SESSION 3
FROM ‘CRUEL OPTIMISM’ TO ‘EDUCATED HOPE’: ARE OTHER SOCIAL ALTERNATIVES AND LANDSCAPE ARCHITECTURE(S) POSSIBLE?
Organisation and moderation: Bura Yigit Yuran and Andrew Butler

PANDEMICS, NEOLIBERAL IDEOLOGY, AND THE SOURCING OF DEPOLITICIZATION
KEYNOTE SPEAKER: Henri Giroux, Chair for Scholarship in the Public Interest, The Paulo Freire Distinguished Scholar in Critical Pedagogy

HEALTH AND JUST CITIES AGAINST COMPOUNDING HEALTH AND CLIMATE CRISIS: PUTTING ENVIRONMENTAL JUSTICE FIRST
KEYNOTE SPEAKER: Isabella Anguelovski, ICREA Research Professor, Universitat Autònoma de Barcelona

DISCUSSANTS:
Alexandra D’Ursi, Educational Developer, Swedish University of Agricultural Sciences
Ed Wall, Associate Professor of Cities and Landscapes, University of Greenwich

TUESDAY 16.00–16.30

NETWORKING

TUESDAY 16.30–18.00

PARALLEL SESSION 2

CLIMATE CHANGE AND ADAPTATION: (Un)certain lines—Coastal and riverine landscapes
Panel
Moderator(s): Laura Cipriani and Inge Bobbink
Panelists: Eric Luisen, Claudio Forgac, Taneya Baccin

CULTURAL LANDSCAPE: “Death Café”—About multicultural and multifunctional cemeteries as memorial, contemplative and green public spaces
Event
Moderator(s): Carola Wingren and Helena Nordh

EXHIBITORS’ Q & A: • Gunnar Cerwén “Soundscape Design: Learning from Japanese gardens”
DESIGN HISTORY, THEORY AND METHODS: Methods—Artistic, queer and reimagining

Academic paper session
Moderator(s): Petra Thorpert and Sofia Sandqvist

271. “And also”
Marc Treib, University of California, Berkeley

315. If Research by Design(ing) is the Answer, What are the Questions?
Marc van Etteger, Wageningen University and Research centre │ Kevin Raaphorst, Radboud University

343. Designing of Urban Landscapes as Multisensory Phenomenon
Maria Ignatieva, University of Western Australia │ Marcus Hedblom, Swedish University of Agricultural Sciences

348. The Embodied Experience of the Urban Landscape: A participative artistic methodology with site-specific dance in Raval, Barcelona
Ana Moya, Evora University

EDUCATION AND PEDAGOGY: Activities and experiences

Academic paper session
Moderator(s): Tomas Eriksson and Maria Wisselgren

363. Learning Models in Contemporary Context
Sonja Vuk, University of Zagreb │ Monika Kamenečki, University of Zagreb │ Petra Pereković, University of Zagreb

378. Evolution and Future of Metabolism Related Concepts: A students reading through moving images
Luca MF Fabris, Politecnico di Milano │ Massimo Mobiglia, University of Applied Sciences and Arts of Southern Switzerland

462. Arts-based Methods in an Urban Open Space Module
Sari Suomalainen, HAMK Häme University of Applied Sciences │ Anne Passía, LUT University, anne.passia@lut.fi │ Allan Owens, University of Chester │ Raquel Benmergui, raquelbenmergui.com/ │ Heikki Peltoniemi, Häme University of Applied Sciences

GREEN LANDSCAPES AND LIVING: ‘Toolboxing’ urban agriculture—Uncertainty and prescription in designing for the productive city

Thematic roundtable
Moderator(s): Arild Eriksen and Deni Ruggeri

342. ‘Toolboxing’ Urban Agriculture: Uncertainty and prescription in designing for the productive city
Arild Eriksen, Norwegian University of Life Sciences │ Deni Ruggeri, Norwegian University of Life Sciences

GREEN LANDSCAPES AND LIVING: More-than-human

Academic paper session
Moderator(s): Amanda Gabriel and Kammi Gill

422. Looking at People, Looking at Animals
Kammi Gill, University of Manitoba

429. Between Stop and Think: The space/time of landscape perception
Luigi Bartosimo, University of Bologna

449. Grey-backed Mining Bees, Citizen Groups and the Future of Friche Josaphat: Experimenting with visual storytelling as a method for more-than-human urban design research
Jolein Bergers, Katholieke Universiteit Leuven │ Bruno Notteboom, Katholieke Universiteit Leuven

514. “Mourn also for all butterflies”
Endre Vanyolos, Sapientia Hungarian University of Transylvania

OUR FIELD AND PROFESSION—UNDERSTANDINGS, ROLE AND FUTURE: Update the past—Archives of landscape architecture in the digital era

Thematic roundtable
Moderator(s): Sophie von Schwerin

316. Update the Past: Archives of Landscape Architecture in the Digital Era
Sophie von Schwerin, Hochschule für Technik Rapperswil │ Lilli Lübs, Universität für Bodenkultur Wien │ Ulrike Krippner, Universität für Bodenkultur Wien │ Anne Grath Ditzel-Schindelwahn, Norwegian University of Life Sciences As │ Simon Orga, Hochschule für Technik Rapperswil

OUR FIELD AND PROFESSION—UNDERSTANDINGS, ROLE AND FUTURE: Landscape Architecture in the face of crisis

Academic paper session
Moderator(s): Richard Stiles and Kristina Hill

306. The Honesty of Contradiction
Fabio Di Carlo, Sapienza University of Rome

409. Landscape Architecture Goes to Town
Richard Stiles, Vienna University of Technology
