

Towards climate-smart sustainable management of agricultural soils (2020-2025)

www.ejpsoil.eu

Utveckling av ny kunskap

Forskningsprojekt med fokus på

- *Hållbar markanvändning*
- *Klimatbegränsning*
- *Klimatanpassning*

Kapacitets & kompetensutveckling

Stärkt nätverk mellan institutioner

- *Doktorandkurser*
- *Forskarutbyten*
- *Informationssatsningar*

Markövervakning

Harmonisering av information

- *Gemensam Europeisk databas*
- *Regionspecifika markdata*
- *Underlag för regelverk t.ex. markdirektiv för Europa*

Kunskapsöverföring & samverkan

Stärkt nätverk med jordbruksnäring

- *National hub*
- *Workshops & webinarier*
- *Medvetenhet markens betydelse*
