

## Course archive

Your PhD course..... has finished and you have to archive some of the course material. Please give me the following documents (electronically or on paper with no staples):

- List of all participating students
- List of passed SLU students
- Copies of course certificates to external students
- Schedule
- Literature list
- Summary of course evaluation
- Examining exercises and exam questions (*no answers*)
- Own literature etc produced for the course

Thank you!
