## Summer Veterinary Clinic 2021

Exchange students from any of our partner universities can apply for the Summer Veterinary Clinic. For summer 2021, there are 8 spots available.

**Application deadline 15<sup>th</sup> October 2020.**

**Make an application in our system and email us which track you want as a first hand choice and second hand choice. If you choose track 5 or 6 you need to be in the country 5 days before the track starts due quarantine rules.**

Prerequisites for the clinic - you must:

- at least have studied your fourth year of a veterinary programme; and
- Have passed the preclinical courses and clinic preparation courses. The clinical preparation course at SLU is 30 ECTS credits and has a theoretical coverage of the common diseases and treatments of cattle, horses, sheep, dogs, cats & pigs, clinical chemistry, practical obstetrics, hygiene and prevention of infection, general surgical principles including preoperative scrub-up and standard operating procedures for the operating theater. You need to have completed similar courses.
